MOBILITY PROGRAMME *Inbound*

THE MANAGEMENT & SCIENCE UNIVERSITY (MSU) IS LOCATED IN A MALAYSIA, IN THE SOUTHEAST ASIAN COUNTRY.

'A VIBRANT AND FRIENDLY CITY FOR ALL'

Management and Science University is located right in the heart of Shah Alam, the capital city of the state of Selangor. It is a city tailored for all, with much to see and do; from shopping malls and cafes, cultural attractions to parks and recreational centres. This 'Orchid City' offers visitors a variety of dining options from popular coffee outlets, bistros to fine dining restaurants; perfect for all budgets. With a comprehensive public transportation system, visitors are able to have a smooth commute to Kuala Lumpur, Malaysia's capital city and reach the Kuala Lumpur International Airport via the Express Rail Link (ERL) in just thirty minutes. Further expansions set to be completed in 2025 will see the LRT3 (Light Rail Transit) system which runs through strategic locations in Shah Alam; bringing better mobility and connectivity to commuters. An added bonus will be the Malawati LRT3 station which will be right next to MSU; providing easy access to all. Regardless of where you come from, whether halfway across the world or a few kilometres away, Shah Alam is an ideal destination to continue your studies.

OFFSHORE
Campuses

Based in Southeast Asia's Malaysia, MSU comprises a main campus in the state of Selangor; an MSU College in ten Malaysian states; as well as offshore campuses in India, Sri Lanka, and Indonesia.

ABOUT MSU

Management and Science University (MSU) is a Quacquarelli Symonds (QS), global multi-ranked institution focused on building holistic human capital. Envisioning a better, more sustainable future for all, MSU champions equality by providing a level playing field across extensive efforts in transforming lives, enriching future. The university's award-winning academic programmes meet stringent standards of local and international bodies. MSU accreditors include the Malaysian Qualifications Agency (MQA), the United Kingdom's Accreditation Services for International Schools, Colleges & Universities (ASIC), the Japan's Alliance on Business Education and Scholarship for Tomorrow (ABEST21), the Netherland's Accreditation Council for Entrepreneurial & Engaged Universities (ACEEU), the United Kingdom's Institute of Biomedical Science (IBMS) as well as the Sri Lanka's University Grant Commission (UGC).
